THE GIN

Made with 100% Finnish rye and local wild botanicals including birch leaves and meadowsweet, Kyrö Gin captures the fragrance and flavour of a fresh Finnish summer. Voted World's Best Gin for Gin & Tonic by the IWSC in 2015 and 2025.

TASTING NOTES

Nose — Herbal and sweet, with birch and gentle citrus.

Palate — Fresh and sweet, less juniper-heavy than many gins, carried on a 100% rye base.

Finish — Notes of rye pepper on the tongue.

THE DISTILLERY

Kyrö Distillery was dreamt up in a sauna by five friends in 2012 and set up in an old dairy in Isokyrö, Finland. Everything it makes uses 100% Finnish wholegrain rye — its first gin was voted the world's best gin for gin & tonic by the IWSC in 2015.
