THE GIN

Combines the sharp pepperiness of Finnish rye with the freshness of berries and rhubarb. The 100% rye base with infused red berries and rhubarb gives a sweeter twist on small-batch gin — equally good neat, over ice or in a cocktail.

TASTING NOTES

Nose — Juniper and forest berries, with fresh rhubarb.

Palate — Sweetish, soft and smooth — rhubarb, custard and berries.

Finish — Smooth sweetness with lingering juniper.

THE DISTILLERY

Kyrö Distillery was dreamt up in a sauna by five friends in 2012 and set up in an old dairy in Isokyrö, Finland. Everything it makes uses 100% Finnish wholegrain rye — its first gin was voted the world's best gin for gin & tonic by the IWSC in 2015.
