

Arbikie Nàdar Vodka

Climate Positive Vodka · Scotland

THE DISTILLERY

Arbikie is a field-to-bottle distillery on a 2,000-acre family farm on Scotland's east coast, opened in 2014. The grain, rye and potatoes are grown, harvested, distilled and bottled on the estate — their stated vision is to be one of the world's most sustainable distilleries.

AWARDS & RATINGS

Gold 92pts — Bartender Spirits Awards 2024

92pts Best in Show by Country — Bartender Spirits Awards 2024

Nàdar Vodka named one of the 50 best spirits of 2023 by Vine Pair

THE VODKA

The climate positive vodka, distilled from peas grown on the Arbikie estate — a carbon footprint of -1.53 kg CO₂e per 700 ml bottle.

Arbikie make their own base spirit, which retains many of the subtle flavours lost in most vodkas. Nàdar is Gaelic for 'nature'. Serve with soda and fresh lime juice, or in a Martini.

TASTING NOTES

Nose — Floral, with crushed white pepper.

Palate — Intense. Vibrant. Spicy.

Finish — Peppery and clean.
