AWARDS & RATINGS

90pts — Whisky Advocate 2023

THE WHISKY

The signature Two Stacks blend at full cask strength — the same five-component recipe as The First Cut, undiluted at 64%. Bottled in recycled glass under a beech-wood T-cap and natural cork.

TASTING NOTES

Nose — Sweet caramel and fig, with flickers of campfire smoke.

Palate — Rich in oils and spice, with incredible depth and layers of sweet caramel and fig.

Finish — Long and warming at cask strength, wood spice over a trace of campfire smoke.

THE BLENDER

Two Stacks is one of Ireland's only independent bonders and blenders, collaborating with the island's leading distilleries to select the finest spirit and create unique, flavour-forward whiskey expressions. Production runs on solar power, with recycled packaging and natural cork stoppers.
